

Buffalo Sauce

Makes 2½ cups

This spicy sauce adds a touch of heat to any dish. We like to brush it on our [Fire Cracker](#), or over chicken for a Cajun-style feast.

Ingredients

1 cup	Frank's™ Hot Sauce
½ cup	clarified butter
½ cup	extra virgin olive oil
½ cup	garlic, minced

Method

- Stir all the ingredients together in a medium bowl until well incorporated. Store in the refrigerator, and stir well before each use.
