Particle Shovel (PS)	40"	60"	70"	87"

OVEN TOOL SET

A. LOADING PEELS (WS-TL-LP-XX)

These durable, yet lightweight aluminum alloy Loading Peels come in four sizes that are perfect for up to 12", 14", 16" and 18" pizzas. Our standard tool kit includes one 12" and one 16" peel. The short tool set includes only the 12" Loading Peel. The medium, long, and extra long tool sets include both the 12" and the 16" Loading Peels.

B. FLOOR BRUSH SET (WS-TL-BS)

Floor brushes are vital tools for efficient oven operation. Our tool set includes several styles for complete oven cleaning: a heavy-duty, brass-bristled, wooden head beveled to facilitate debris removal from all corners of the oven, in two styles; "T" (WS-TL-TFB) and the "in-line" (WS-TL-IFB); and an in-line natural fiber brush for "sweeping" (WS-TL-NFB).

C. BUBBLE HOOK (WS-TL-BH)

The bubble hook is for popping pizza dough bubbles before they get out of hand. Made from heavy gauge stainless steel, it is also great for moving pans, trays and even wood.

D. UTILITY PEEL (WS-TL-UP)

Move or rotate any size pizza with nearly surgical precision with Wood Stone's utility peel. The 8-inch diameter utility peel is also very useful for moving pans, placing wood on the fire and removing ash. This is such a useful tool that most people order two.

E. PARTICLE SHOVEL (WS-TL-PS) *

Our heavy gauge stainless steel shovel is designed to safely remove ash and coals from wood-fired ovens. Its front is beveled to remove ash from even hard to reach parts of the oven.

NOTE: The Ash Shovel is only included in the Wood-Fired Oven Tool Set.

All Wood Stone oven tools have heavy-duty stainless handles and grease-resistant grips.

NOTE: Each tool is supplied with a stainless steel, wall-mounting tool hanger. All tools come in four lengths: short, medium, long, and extra long.

NOTE: Large Tool Set shown. Large Tool Set includes both 12" and 16" Loading Peels.

***NOTE:** The Particle Shovel (E) is only included in the wood-fired oven tool set.
